SUMMARY:

Experienced IT Professional with over 4 years of practical expertise in web development and product design. Skilled in delivering visually appealing products for both small and large firms. I'm enthusiastic about leveraging my experience and background in developing software product to drive business growth and economic development.

EXPERIENCE

Presently, I am in the process of attaining a master's degree in Data Science and Artificial Intelligence, concurrently working on personal projects aimed at improving and applying my skills in both web development and artificial intelligence.

Web/UI Designer | Rimal Int'l Advertising & Pub. Co. – Jan. 2021 – Jan. 2023, U.A.E

Rimal Int'l – Delivers indoor and outdoor services to businesses of varying scales across the U.A.E.

- Developed an efficient and maintainable code using HTML, CSS, and JavaScript, adhering to best practices.
- Created new features, functionalities, and capabilities on the site using HTML, CSS, WordPress, and JavaScript, Tailwind CSS.
- Designing and implementing HTML email templates and newsletter for marketing campaigns.
- Striking a balance between functional and aesthetic design.
- Optimizing web pages for maximum speed and scalability.

Web/UI Developer | Sprout Digital Development ltd. – March 2018 – Sept. 2020, Nigeria.

Sprout – An IT agency specializing in digital marketing services and web development.

- Collaborated with the team to design, structure, and develop new web applications from start to finish using HTML, TailwindCSS, CSS, and WordPress.
- Performed periodic update on existing websites.
- Created website layout and user interface using standard HTML, CSS & JavaScript practices.
- Created new features, functionalities, and capabilities on the site using HTML, CSS, WordPress, and JavaScript.
- Implemented designs from Figma and built robust user interfaces with great user experience.
- Striking a balance between functional and aesthetic design.
- Optimizing web pages for maximum speed and scalability.
- Ensure the technical feasibility of UI/UX designs.
- Collaborated with product team members to implement new feature developments.

VOLUNTEER EXPERIENCE

Instructional Facilitator | codeIT – Aug. 2018 – Oct. 2019, Nigeria.

codeIT dedicated to growing young people in the area of computer science and tech, especially around promoting hardcore programming skills at an early age.

My Role: Trained kids under age 16 the basics of programming

Creative Designer | YouthhubAfrica – Oct. 2019 – Dec. 2019, Nigeria.

YouthhubAfrica is a platform for young people in Africa involved in social change to interact, learn and collaborate in new, creative and easy ways.

My Role: Participated as a member of a multimedia group responsible for overseeing the promotion of an annual conference hosted by YouthhubAfrica.
